November 2021

Policy Change for Over-the-Counter Products

Please note an upcoming policy change related to **over-the-counter products**: As of **January 1st, 2022**, in order to be compliant with the *Long-Term Care Homes Act*, the Lodge's staff will only administer over the counter (OTC) products – including vitamins, minerals and other supplements - to a resident if they have been dispensed through the home's pharmacy services provider (such as MediSystem Pharmacy). Staff will no longer administer other OTC products. For the safety of all residents, we recommend that residents and families no longer bring these other OTC products into the home.

MEET THE TEAM... JEFF RYAN

Please welcome our newest Environmental Services team member, Jeff Ryan. Jeff joined Hillel in October 2021 as our Building Operator. For the last 13 years, Jeff was responsible for facilities and building operations for the Canadian Nurses Association. While relatively new to the Lodge, Jeff has already proven to be a great asset, a great fit and a great support for our residents, staff, and home. Please take a moment to say hello and extend a warm welcome.

Just a friendly reminder...

The monthly Recreation Calendar is on our website! Check out our activity programming and see what your family and friends are enjoying each month.

The link to the calendar is at the bottom of the Recreation page.

HOLOCAUST EDUCATION MONTH

November is Holocaust Education Month, a month of programs focused on educating the community about the lessons of the Holocaust.

This year, Hillel residents had the honour of listening to and learning from one of our residents. On November 4, Susan Eldridge shared an emotional story about her experience as part of the Winton Kindertransport. Thank you, Susan, for sharing this important talk with us.

Below is a clip from the show “60 Minutes” about the Winton Kindertransport:

REMEMBRANCE DAY - NOVEMBER 11, 2021

All of us at the Lodge would like to thank the men and women who currently serve in the Canadian Armed Forces. We would also like to acknowledge the veterans who are living with us at the Lodge and for everything they did while working in the line of duty. Finally, let us never forget those individuals who paid the ultimate sacrifice in serving Canada. Lest We Forget.

LODGE LINE BIRTHDAY PHOTOS PROJECT

It has been a full year since we started to take birthday photos of our residents. This project started at the peak of the pandemic when it was more difficult for families and friends to come to the Lodge to celebrate in person. While precautions related to COVID-19 are still very present in our home, we are grateful that restrictions have loosened, and families and friends are one again able to celebrate with their loved ones in person.

As a result, this will be the last month of birthday photos in Lodge Line.

The Recreation team had a great time taking photos for the Birthday Photo Project. Thanks to all the residents who smiled for the camera!

HAPPY BIRTHDAY

As with everything else at the Lodge, we have had to change how we celebrate residents' birthdays. Nonetheless, we make sure that each resident's birthday is special
