## BECOME A 2025 CORPORATE PARTNER TODAY!

**JOIN US ON SEPTEMBER 14, 2025**, as we come together for the 17th annual *Biking for Bubbies & Zaidies* — a day filled with celebration and community spirit dedicated to supporting those living in long-term care at Hillel Lodge. This event invites you to be a part of something truly impactful!

This year, we are excited to celebrate the 17th annual ride and lay the groundwork for our milestone 18th event in 2026. **We invite you to consider a two-year sponsorship commitment.** This will allow our volunteer committee to focus on securing more bikers for next year.

*Biking for Bubbies & Zaidies* is more than a fundraising event; it's a gathering of families, friends, and community members of all ages. With activities like the *Family Fun Zone* and a delicious post-biking lunch, there are endless opportunities for you to engage with the community while showcasing your company's commitment to social responsibility. Let's work together to make a lasting difference in the lives of our cherished residents.

As a Corporate Partner, your commitment directly enhances the lives of our residents, providing essential programs and services that combat isolation and promote dignity. Your support enables us to continue vital initiatives like *Mealtime Assistance* and *Compassionate Connections*, which are crucial in ensuring our residents feel connected and cared for.

**Please let us know which sponsorship opportunity aligns with your vision by contacting Leslie Sher at 613-680-1197 or at [foundation@hillel-ltc.com](mailto:foundation@hillel-ltc.com) by August 1, 2025.**

Thank you for considering this opportunity to partner with us in creating a vibrant and caring community!
