INDEPENDENT AUDITOR'S REPORT

To the Members of

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)

Qualified Opinion

We have audited the financial statements of Hillel Lodge Long-Term Care Foundation (Ottawa) (the Foundation), which comprise the statement of financial position as at December 31, 2021, and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from contributions, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these contributions was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to donations and memberships revenue, endowments and bequests revenue, events revenue, restricted giving revenue, net revenue, and cash flows for the years ended December 31, 2021 and 2020, current assets as at December 31, 2021 and 2020, and fund balances as at January 1 and December 31 for both the 2021 and 2020 years. Our audit opinion on the financial statements for the year ended December 31, 2020 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

1. ORGANIZATION AND PURPOSE

The Hillel Lodge Long-Term Care Foundation (Ottawa) ("the Foundation") was incorporated without share capital under Part II of the *Canada Corporations Act* on June 11, 2002, and began operations on February 10, 2003. The Foundation has continued under section 211 of the Canada not-for-profit Corporations Act on April 24, 2014. The Foundation is registered as a charitable organization and is therefore exempt from income tax. The objectives of the Foundation are to receive contributions, to maintain funds and to contribute amounts out of income and capital to Ottawa Jewish Home for the Aged ("the Lodge").

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions.

The Operating Fund accounts for the Foundation's program delivery and administration. Unrestricted contributions are recorded as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Endowment Fund accounts for contributions to be maintained in perpetuity. The contributors have specified how the income from the assets is to be disbursed. Externally restricted contributions to be maintained in perpetuity are recognized as revenue of the Endowment Fund.

The Internally Restricted Fund accounts for contributions made by donors to the Foundation with no specific direction on how the funds must be used. Internal restrictions are subject to change by majority vote of the Board.

The Internally Restricted Reserve accounts for amounts allocated from the Foundation's other revenue sources and is used to provide for the future capital needs of the Lodge.

Financial instruments

Measurement of financial instruments

Cash and equity investments are measured at fair value at the financial statement date.

All other financial instruments are measured at amortized cost at the financial statement date.

Transaction costs

Transaction costs associated with the acquisition and disposal of investments are capitalized to the acquisition costs or reduced from proceeds on disposal.

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

2. SIGNIFICANT ACCOUNTING POLICIES - Cont'd.

Tangible capital assets

Tangible capital assets are capitalized at acquisition cost. Amortization is provided on a straight-line basis over their estimated useful lives of 5 years.

Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

The estimated useful life of the Foundation's tangible capital assets, the net realizable value of accounts and pledges receivables, and the amount of accrued liabilities are the most significant items where estimates are used.

Government assistance - Canada Emergency Wage Subsidy

The Canada Emergency Wage Subsidy (CEWS), a form of temporary government assistance introduced in response to the COVID-19 pandemic, was a subsidy initiated by the federal government to enable employers to re-hire workers previously laid off and to retain those who were already on payroll. The subsidy was calculated as a percentage of eligible remuneration paid by those who experience a certain level of revenue decline during the program periods.

The subsidies have been recorded in the period to which they relate as long as the amount of the subsidy could be reasonably estimated at that point in time. The amount of the assistance received is reported as other revenues in the applicable period.

3. FINANCIAL INSTRUMENTS

The Foundation is exposed to various risks through its financial instruments. The following analysis provides a measure of the Foundation's risk exposure and concentrations at December 31, 2021.

The Foundation does not use derivative financial instruments to manage its risks.

Credit risk

The Foundation is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Foundation's maximum exposure to credit risk is the carrying value of its cash, short-term and long-term investments, accounts receivable and pledges receivable. The Foundation's cash is deposited with a Canadian chartered bank and their investments are managed by a national, full-service investment advisory firm. The Foundation manages the credit risk of accounts receivable and pledges receivable by reviewing monthly aged accounts receivable and pledge receivable balances and following up on outstanding amounts. Management believes that all accounts and pledges receivable at year end will be collected.

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

3. FINANCIAL INSTRUMENTS - Cont'd.

Liquidity risk

Liquidity risk is the risk that the Foundation cannot meet a demand for cash or fund its obligations as they become due. The Foundation meets its liquidity requirements by preparing and monitoring detailed forecasts of cash flow from operations, anticipating investing and financing activities and holding assets that can be readily converted into cash.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

As at December 31, 2021, \$960,301 (2020 - \$684,135) of the Foundation's short-term investments were denominated in US dollars. However, management does not believe it is exposed to significant currency risk as this amount does not represent a significant component of their financial instruments. The Foundation's remaining financial instruments are denominated in Canadian dollars and the Foundation transacts primarily in Canadian dollars.

ii) Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

As the Foundation has investments in guaranteed investment certificates it is exposed to interest rate risk. The Foundation manages this risk by investing in investments with varying due dates from 2022 to 2024, which reduces the sensitivity of the portfolio to the impact of interest rate fluctuations.

iii) Other price risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Foundation is exposed to other price risk due to its investment in a variety of publicly traded equities. Risk and volatility of investment returns are mitigated through diversification of investments in different business sectors.

Changes in risk

There have been no significant changes in the Foundation's risk exposures from the prior year.

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

4. INVESTMENTS

Investments consists of:

	<u>2021</u>	<u>2020</u>
Guaranteed investment certificates	\$ 3,346,331	\$ 2,968,294
Equities	<u>11,579,334</u>	<u>10,015,012</u>
	<u>14,925,665</u>	<u>12,983,306</u>
Long-term investments (maturing beyond one year)	<u>(2,746,331)</u>	<u>(1,595,616)</u>
Short-term investments	<u>\$ 12,179,334</u>	<u>\$ 11,387,690</u>

Investments are managed by investment managers who are under the direction of the Board of Directors. Investment managers must follow the guidelines as set out in the Foundation's Investment Policy statement.

Guaranteed investment certificates bear interest at fixed rates ranging from 1.51% and 3.41%, maturing from 2022 to 2024 (2020 - 1.95% to 3.41%, maturing from 2021 to 2024). Equities are invested in Canadian and US companies. Included in accounts receivable at December 31, 2021 is accrued interest on guaranteed investment certificates of \$16,383 (2020 - \$32,638).

5. PLEDGES RECEIVABLE

Pledges receivable are carried at cost and are expected to be fully collected in the 2022 fiscal year.

6. TANGIBLE CAPITAL ASSETS

Tangible capital assets consists of:

	2021		2020	
	<u>Cost</u>	<u>Accumulated amortization</u>	<u>Cost</u>	<u>Accumulated amortization</u>
Memorial wall	\$ 16,256	\$ 14,432	\$ 16,256	\$ 13,216
Furniture and equipment	<u>2,312</u>	<u>2,312</u>	<u>2,312</u>	<u>2,312</u>
	<u>18,568</u>	<u>\$ 16,744</u>	<u>18,568</u>	<u>\$ 15,528</u>
Less: accumulated amortization	<u>16,744</u>		<u>15,528</u>	
	<u>\$ 1,824</u>		<u>\$ 3,040</u>	

HILLEL LODGE LONG-TERM CARE FOUNDATION (OTTAWA)
NOTES TO THE FINANCIAL STATEMENTS - Cont'd.
YEAR ENDED DECEMBER 31, 2021

7. OTTAWA JEWISH HOME FOR THE AGED

The Foundation supports the Ottawa Jewish Home for the Aged ("the Home") by raising funds to assist in its operations. The Home exercises economic interest over the Foundation since the Board of Directors of the Foundation includes some of the Board members of the Home.

The transactions with the Ottawa Jewish Home for the Aged occurred in the normal course of business and have been recorded at their exchange amounts which is the amount agreed upon by both parties.

During the year, the Foundation donated \$752,506 (2020 - \$700,859) to the Ottawa Jewish Home for the Aged. The make up of these donations is as follows:

	<u>2021</u>	<u>2020</u>
Restricted	\$ 270,934	\$ 270,863
Other	<u>481,572</u>	<u>429,996</u>
	<u><u>\$ 752,506</u></u>	<u><u>\$ 700,859</u></u>

Amounts due to the Home at December 31, 2021 were \$53,386 (2020 - \$103,279). Included within this total is \$50,000 (2020 - \$100,000) which relates to funds previously included within the Capital Fund which was collapsed in 2019 and all remaining capital campaign pledges receivable were also set up as a payable to the Home. During the year, capital campaign pledges totalling \$50,000 were received from donors and were paid to the lodge accordingly (2020 - \$51,970). The amount owing to the Home is non-interest bearing and payable on demand.

8. GOVERNMENT ASSISTANCE

The Government of Canada announced that they would be providing emergency funding in response to measures various organizations were required to take regarding the spread of the COVID-19 disease. The amount of the Canada Emergency Wage Subsidy (CEWS) provided by the Federal Government of Canada attributable to the Foundation's December 31, 2021 fiscal year totalled \$30,003 (2020 - \$20,904) and was included as other revenue on the statement of operations.
